Datasheet DUALdrive 560/M, 560/S, 560/A

AC Series

50W Dimmable DALI LED Driver

DUALdrive 560 is about two separately controllable LED outputs - whether used in dual-head fixtures or dynamic white applications, DUALdrive offers DALI compatible, beautiful dimming all the way down to 0% brightness. DUALdrive, like all eldoLED AC series products, is programmable, has a wide application area and is ready for LEDcode based feature extensions.

Applications

- · Office lighting
- · Architectural lighting

- · Signage and advertising lighting · Tunable white lighting
- · Combined task / ambient lighting
- · Retail display lighting

Features & benefits

Input

- Voltage: 120 277 VAC
- · Current, max: 0.7A
- · Frequency: 50/60Hz

Output

- · Class 2 LED outputs (x2)
- · Voltage: 55V typ
- Current range: settable from 200mA to 1,050mA for each LED output separately
- · Power: 50W max

General

- Power factor: > 0.9
- DALI compatible (IEC 62386-101/102/207)
- · Hybrid HydraDrive: efficient, smooth and flicker-free dimming
- Full dimming control: 100% to 0%, choice of linear or logarithmic dimming curve
- Highly efficient over a wide power and voltage range: 89% at full load, ≥ 85% above 50% load
- Maximum (rated) power available over wide LED voltage (30-55V) and LED current range (200-1,050mA)
- · NTC interface for robust thermal management
- · LEDcode: programming interface (LED output current, NTC temperature, dimming curve, minimum dimming level) and sensor/extended feature set interface

Product offering

Description

DUALdrive AC, 50W, DALI, 2 ballasts, constant current, 2x 60V LED outputs, long metal	DUAL 560/M	DL0560M1
DUALdrive AC, 50W, DALI, 2 ballasts, constant current, 2x 60V LED outputs, square metal	DUAL 560/S	DL0560S1
DUALdrive AC, 50W, DALI, 2 ballasts, constant current, 2x 60V LED outputs, square metal/plastic	DUAL 560/A	DL0560A1

Warranty

eldoLED represents and warrants that for a period of 3 (three) years, as of the date of invoice, Products materially meet the specifications and specifically agreed upon quality, both as stated in the applicable datasheet and/or written design-in specifications, or as stated in writing otherwise by eldoLED, provided that these specifications are explicitly designated by eldoLED as "warranted specifications".

Sales support EU & Rest of World: sales@eldoled.com Sales support US/Canada: nasales@eldoled.com
